# **NEWS SHEET ALCOHOLLICS ANONYMOUS** GENERAL SERVICE CONFERENCE OF IRELAND

### **Declaration of Unity**

This we owe to AA's future: To place our common welfare first; To keep our Fellowship united. For on AA unity depend our lives; and the lives of those to come.

**Greetings to you all**. Trusting that you are having a happy and sober summer, one day at a time.

Our preamble reminds us that our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

#### A.A.'s Legacy of Service by Bill W. (1951)

Our Twelfth Step carrying the message—is the basic service that the A.A. Fellowship gives; this is our principal aim and the main reason for our existence. Therefore, A.A. is more than a set

of principles; it is a society of alcoholics in action. We must carry the message, else we ourselves can wither and those who haven't been given the truth may die.

Hence, an A.A. service is anything whatever that helps us to reach a fellow sufferer— ranging all the way from the Twelfth Step itself to a ten-cent phone call and a cup of coffee, and to A.A.'s General Service Office for national and international action. The sum total of all these services is our Third Legacy of Service.

Services include meeting places, hospital cooperation, and intergroup

offices; they mean pamphlets, books, and good publicity of almost every description. They call for committees, delegates, trustees, and conferences. And, not to be forgotten, they need voluntary money contributions from within the Fellowship.

### Self-Support: Where Money and Spirituality Mix

The A.A. groups themselves ought to be fully supported by the voluntary contributions of their own members. We think that each group should soon achieve this ideal; that any public solicitation of funds using the name of Alcoholics Anonymous is highly dangerous, whether by groups, clubs, hospitals, or other outside agencies; that acceptance of large gifts from any source, or of contributions carrying any obligation whatever, is unwise.

Then, too, we view with much concern those A.A. Groups which continue, beyond prudent reserves, to accumulate funds for no stated A.A. purpose. Experience has often

warned us that nothing can so surely destroy our spiritual heritage as futile disputes over property, money, and authority.

—Tradition Seven (long form)

#### "We cannot skimp"

With the realization that A.A. must steer clear of outside contributions in order to maintain its autonomy and independence came the understanding that the money necessary for A.A.'s survival would have to come from

The views and opinions expressed in The News Sheet are not necessarily those of the Fellowship of Alcoholics Anonymous in Ireland as a whole.

individual A.A. members and groups. As Bill W. put it in 1957 "Our spiritual way of life is safe for future generations if, as a Society, we resist the temptation to receive money from the outside world. But this leaves us with a responsibility — one that every member ought to understand. We cannot skimp when the treasurer of our group passes the hat. Our Groups, our Areas, and A.A. as a whole will not function unless our services are sufficient and their bills are paid."

"When we meet and defeat the temptation to take large gifts, we are only being prudent. But when we are generous with the hat we give a token that we are grateful for our blessings and evidence that we are eager to share what we have found with all those who still suffer."

(The Language of the Heart, p. 221)

# Spotlight on the respective responsibilities of the Trustees

Each edition of the News Sheet will feature the work of one of the Board Trustees. This will give members a greater feel for the kinds of service carried out by each respective member, including the Board Secretary. This edition includes the contribution of one of our more recently appointed Non-Alcoholic Trustees Eamonn Dillon.

On a very personal level, being invited to serve the fellowship in the position of a Non-alcoholic Trustee of Alcoholics Anonymous in Ireland is a great honour. Very few families in Ireland, whether in current or in previous generations, have not experienced alcoholism and I am privileged to be able to serve and contribute in some small way to the ongoing great work of the Fellowship.

All of the Trustees on the Board are very much equal and each Trustee brings very different skills and perspectives to the role and position. It is very obvious

#### **Responsibility Declaration**

I am responsible. When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that: I am responsible.

to me that it is that very diversity in, and wide range of, experience and skills that gives such strength and depth to the Board. My own experience of being a Trustee has been that of being made feel very welcome and of being part of a true Fellowship - not just at Board level but also at Conference, Convention and indeed up to individual meetings which I have been invited to attend. Whilst discussions on the Board are often wide ranging and diverse, I can truly say that we always strive to listen to one another and to agree and act unanimously.

Personally I come from a legal. charitable and compliance background and I try to bring those particular perspectives and experiences to all discussions and issues that arise. I also try to listen and am continually surprised at Board. Conference and Convention (although I should not be!) by how much I have learned from, and through, the Fellowship. I also try, with my fellow Trustees to be proactive and to raise and address issues and regulatory requirements that are likely to arise and which may face the Fellowship in the future. Respect for Traditions and principles is vital but there is always room for improvement. To allow AA to fossilise would be to do a great disservice to the great idea that the Fellowship is, and the work that it has done in the past and, more importantly, all that it can achieve in the future in the help that it can bring to the still-suffering alcoholic.

At a time when several entities within the Charity sector are facing serious questions and controversies, our

Both individually and collectively, the Trustees are very committed to listening to all views and opinions of the Fellowship, whether from new or longstanding members.
