Kayaking Tours at Coolcower House Saturday the 27th

David Ryan and his team from Outdoor Discovery and Lee Valley Kayaking propose a schedule of kayaking tours at a discounted rate for all members attending the convention. David and his team have run kayaking activities from Coolcower over the past few years. It is a very safe section of the River Lee for touring and boasts the most scenic nature in all of the Lee Valley. With over 20 years experience and 7 years of running a kayaking company participants are in safe hands. Outdoor Discovery is fully insured and uses high quality safety equipment.

Participants of the tour will have all equipment provided and a full demonstration. So anyone with a moderate fitness level can take part. All the participants will need will be gym style clothes they don't mind getting a bit wet.

The tours could run every 2 hours starting at 10 am. Weather permitting. 10 am 12pm 2pm and 4 pm. With a max of 12 participants per session.

The tour from start to finish will take approx 60 mins with some time either side to get organised with equipment.

I can bring single kayaks and some doubles to cater for all abilities. Cost is 10 euros for members of the convention.

Pre Booking essential.
